Subject: HB6656

Hello,

I OPPOSE HB6656.

Insurance companies would become the all-mighty force that can approve and deny gun policies, and in turn, approve and deny our constitutional right.

I do not want to give corporations this power over my constitutional rights!

Secondly, this bill would effectively make it very expensive to own a firearm. Leaving the poor most vulnerable, and in jeopardy, of defending themselves.

Thanks you,

Joseph Sforza
